

Statewide Keyboard/Typing Test Sites

To be admitted to the written/performance test for communications officer, you must provide a typing certificate verifying your ability to type 35 net words per minute, after errors. Typing tests must have a **signed** cover letter or typing certificate from the place where you took the test, indicating business name, date, and a call back number. On-line tests are not acceptable.

Generally, applicants will be taking a typing/keyboarding test on a computer keyboard. It is recommended that you practice and build up endurance before scheduling the test. *You must type a minimum of 35 wpm net.*
